**Item 1.01 Entry into a Material Definitive Agreement.**

On June 23, 2021, Great Elm Capital Corp. (the “Company”) and American Stock Transfer & Trust Company, LLC, as trustee (the “Trustee”), entered into a fourth supplemental indenture (the “Fourth Supplemental Indenture”) to the indenture, dated September 18, 2017, between the Company and the Trustee (as supplemented by the Fourth Supplemental Indenture, the “Indenture”). The Fourth Supplemental Indenture relates to the Company’s issuance of \$50.0 million aggregate principal amount of 5.875% notes due 2026 (the “Notes”) on the date hereof, plus up to an additional \$7.5 million aggregate principal amount of Notes that may be issued in the future pursuant to the underwriters’ exercise of an over-allotment option (the “Offering”). The underwriters’ over-allotment option expires at 11:59 pm on July 16, 2021.

The Notes will mature on June 30, 2026 and may be redeemed in whole or in part at the Company’s option at any time or from time to time on or after June 30, 2023 at a redemption price equal to 100% of the outstanding principal amount of the Notes to be redeemed, plus accrued and unpaid interest otherwise payable for the then-current quarterly interest period accrued to, but excluding, the date fixed for redemption. The Notes bear interest at a rate of 5.875% per year payable quarterly on March 31, June 30, September 30 and December 31 of each year, commencing September 30, 2021. The Notes are direct unsecured obligations of the Company.

The terms of the Notes are governed by the Indenture. The Indenture contains certain covenants, including covenants requiring the Company to comply with Sections 18(a)(1)(A) and (B) as modified by Sections 61(a)(1) and (2) of the Investment Company Act of 1940, as amended, and to provide financial information to the holders of the Notes and the Trustee if the Company should no longer be subject to the reporting requirements under the Securities Exchange Act of 1934, as amended. The Indenture also provides that the Company may not consolidate with or merge with or into any other entity or convey or transfer all or substantially all of its properties and assets to any person, unless certain specified conditions set forth in Section 801 of the Indenture are satisfied. These and other covenants are subject to certain limitations and exceptions that are described in the Indenture.

The Company received net proceeds from the Offering, after payment of underwriting discounts and commissions and estimated offering expenses payable by the Company, of approximately \$47.9 million (or approximately \$55.2 million if the underwriters exercise their over-allotment option in full). Such amount represents \$50.0 million in original aggregate principal amount of Notes, plus \$7.5 million in aggregate principal amount of Notes representing an exercise of the over-allotment option granted to the underwriters. The Company intends to use the net proceeds from the offering to redeem all of its outstanding 6.50% notes due 2022 and for general corporate purposes, which may include repayment of other indebtedness.

The Notes were offered and sold pursuant to a registration statement on Form N-2 (File No. 333-256051), as amended, and the related prospectus filed with the Securities and Exchange Commission. The Offering closed on June 23, 2021.

The foregoing descriptions of the terms of the Indenture and the Notes do not purport to be complete and are qualified in their entirety by reference to their full text. The Fourth Supplemental Indenture and the Notes are attached hereto as Exhibits 4.1 and 4.2, respectively, and are incorporated herein by reference.

The Company desires to establish the form and terms of the Notes and to modify, alter, supplement and change certain provisions of the Base Indenture for the benefit of the Holders of the Notes (except as may be provided in a future supplemental indenture to the Indenture (a “Future Supplemental Indenture”).

NOW, THEREFORE, for and in consideration of the premises and the purchase of the Notes by the Holders thereof, it is mutually agreed, for the equal and proportionate benefit of all Holders of the Notes, as follows:

### ARTICLE I

(b) The aggregate principal amount of the Notes that may be initially authenticated and delivered under the Indenture (except for Notes authenticated and delivered upon registration of, transfer of, or in exchange for, or in lieu of, other Notes pursuant to Section 304, 305, 306, 906, 1107 or 1305 of the Base Indenture, and except for any Securities that, pursuant to Section 303 of the Base Indenture, are deemed never to have been authenticated and delivered under the Indenture) shall be \$50,000,000 (or up to \$57,500,000 aggregate principal amount if the underwriters’ over-allotment option is exercised in full). Under a Board Resolution, Officers’ Certificate pursuant to Board Resolutions or a Future Supplemental Indenture, the Company may from time to time, without the consent of the Holders of Notes, issue additional Notes (in any such case “Additional Notes”) having the same ranking and the same interest rate, maturity and other terms as the Notes. Any Additional Notes and the existing Notes will constitute a single series under the Indenture and all references to the relevant Notes herein shall include the Additional Notes unless the context otherwise requires.

(c) The Stated Maturity of the Notes shall be June 30, 2026. The entire outstanding principal of the Notes shall be payable on the Stated Maturity, unless earlier redeemed or repurchased in accordance with the provisions of the Indenture.

(5.875% Notes Due 2026) and at such other address as designated by the Trustee, in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts; provided, however, that at the option of the Company payment of interest may be made by check mailed to the address of the Person entitled thereto as such address shall appear in the Security Register; provided, further, however, that so long as the Notes are registered to Cede & Co., such payment will be made by wire transfer in accordance with the procedures established by The Depository Trust Company and the Trustee. Interest on the Notes will be computed on the basis of a 360-day year of twelve 30-day months.

(e) The Notes shall be initially issuable in global form (each such Note, a “Global Note”). The Global Notes and the Trustee’s certificate of authentication thereon shall be substantially in the form of Exhibit A to this Fourth Supplemental Indenture. Each Global Note shall represent the outstanding Notes as shall be specified therein and each shall provide that it shall represent the aggregate principal amount of outstanding Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as appropriate, to reflect exchanges and redemptions. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the amount of outstanding Notes represented thereby shall be made by the Trustee or the Security Registrar, in accordance with Sections 203 and 305 of the Base Indenture.

(f) The depository for such Global Notes (the “Depository”) shall be The Depository Trust Company, New York, New York. The Security Registrar with respect to the Global Notes shall be the Trustee.

(g) The Notes shall be defeasible pursuant to Section 1402 or Section 1403 of the Base Indenture. Covenant defeasance contained in Section 1403 of the Base Indenture shall apply to the covenants contained in Sections 1006, 1009 and 1010 of the Indenture.

(h) The Notes shall be redeemable pursuant to Section 1101 of the Base Indenture and as follows:

(i) The Notes will be redeemable in whole or in part at any time or from time to time, at the option of the Company, on or after June 30, 2023, at a redemption price equal to 100% of the outstanding principal amount thereof, plus accrued and unpaid interest payments otherwise payable for the then-current quarterly interest period accrued to, but excluding, the date fixed for redemption.

(ii) Notice of redemption shall be given in writing and electronically delivered through The Depository Trust Company or mailed, first-class postage prepaid or by overnight courier guaranteeing next-day delivery, to each Holder of the Notes to be redeemed, not less than thirty (30) nor more than sixty (60) days prior to the Redemption Date, at the Holder’s address appearing in the Security Register. (iii) Any exercise of the Company's option to redeem the Notes will be done in compliance with the Investment Company Act, to the extent applicable.

(iv) If the Company elects to redeem only a portion of the Notes, the Trustee will determine the method for selecting the particular Notes to be redeemed, in accordance with Section 1103 of the Base Indenture, the Investment Company Act and the rules of any national securities exchange or quotation system on which the Notes are listed, in each case to the extent applicable.

(v) Unless the Company defaults in payment of the Redemption Price, on and after the Redemption Date, interest will cease to accrue on the Notes called for redemption hereunder.

(i) The Notes shall not be subject to any sinking fund pursuant to Section 1201 of the Base Indenture.

(j) The Notes shall be issuable in denominations of \$25 and integral multiples of \$25 in excess thereof.

(k) Holders of the Notes will not have the option to have the Notes repaid prior to the Stated Maturity. Nothing in this Section shall prohibit purchases by the Company in the open market, private transactions or otherwise prior to the Stated Maturity.

(l) The Notes are hereby designated as "Senior Securities" under the Indenture.

(m) For the avoidance of doubt, the reference in Section 301 of the Base Indenture to Senior Securities being unsubordinated and ranking equally and "pari passu" to all other Senior Indebtedness is intended to reflect that, notwithstanding that the Senior Securities are unsecured, the Senior Securities rank equally with the Senior Indebtedness solely with respect to the right to seek and enforce payment from the Company but not in terms of any collateral security or access to collateral or right to distributions or payments of proceeds of any collateral (including without limitation, cash, accounts or other assets of the Company or any of its subsidiaries), as to which the Senior Indebtedness has priority at all times.

## **ARTICLE II**

In the event of any conflict between the Base Indenture and the Fourth Supplemental Indenture, the Fourth Supplemental Indenture shall govern and control.

This Security is one of the series designated on the face hereof, initially limited in aggregate principal amount to fifty million dollars (U.S. \$50,000,000), or up to fifty-seven million five hundred thousand dollars (U.S. \$57,500,000) aggregate principal amount if the underwriters’ over-allotment option to purchase additional Securities is exercised in full. Under a Board Resolution, Officers’ Certificate pursuant to Board Resolutions or an indenture supplement, the Company may from time to time, without the consent of the Holders of Securities, issue additional Securities of this series (in any such case “Additional Securities”) having the same ranking and the same interest rate, maturity and other terms as the Securities. Any Additional Securities and the existing Securities will constitute a single series under the Indenture and all references to the relevant Securities herein shall include the Additional Securities unless the context otherwise requires. The aggregate principal amount of outstanding Securities represented hereby may from time to time be reduced or increased, as appropriate, to reflect exchanges and redemptions.

The Securities of this series are subject to redemption in whole or in part at any time or from time to time, at the option of the Company, on or after June 30, 2023 at a redemption price equal to 100% of the outstanding principal amount thereof, plus accrued and unpaid interest payments otherwise payable for the then-current quarterly interest period accrued to, but excluding, the date fixed for redemption.

Notice of redemption shall be given in writing and electronically delivered through The Depository Trust Company or mailed, first-class postage prepaid or by overnight courier guaranteeing next-day delivery, to each Holder of the Securities to be redeemed, not less than thirty (30) nor more than sixty (60) days prior to the Redemption Date, at the Holder’s address appearing in the Security Register. All notices of redemption shall contain the information set forth in Section 1104 of the Base Indenture.

Any exercise of the Company’s option to redeem the Securities will be done in compliance with the Investment Company Act, to the extent applicable.

If the Company elects to redeem only a portion of the Securities, the Trustee will determine the method for selecting the particular Securities to be redeemed, in accordance with Section 1103 of the Base Indenture, the Investment Company Act and the rules of any national securities exchange or quotation system on which the Securities are listed, in each case to the extent applicable. In the event of redemption of this Security in part only, a new Security or Securities of this series and of like tenor for the unredeemed portion hereof will be issued in the name of the Holder hereof upon the cancellation hereof.

Unless the Company defaults in payment of the Redemption Price, on and after the Redemption Date, interest will cease to accrue on the Notes called for redemption.

Holders of Securities do not have the option to have the Securities repaid prior to June 30, 2026.

The Indenture contains provisions for defeasance at any time of the entire indebtedness of this Security or certain restrictive covenants and Events of Default with respect to this Security, in each case upon compliance with certain conditions set forth in the Indenture.

The Indenture provides that the Company may not consolidate with or merge with or into any other entity or convey or transfer all or substantially all of its properties and assets to any Person, unless certain specified conditions set forth in Section 801 of the Indenture are satisfied.

If an Event of Default with respect to Securities of this series shall occur and be continuing, the principal of the Securities of this series may be declared due and payable in the manner and with the effect provided in the Indenture.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each series to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of not less than a majority in aggregate principal amount of the Securities at the time Outstanding of each series to be affected. The Indenture also contains provisions permitting the Holders of specified percentages in principal amount of the Securities of each series at the time Outstanding, on behalf of the Holders of all Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Security shall be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange hereof or in lieu hereof, whether or not notation of such consent or waiver is made upon this Security.

As provided in and subject to the provisions of the Indenture, the Holder of this Security shall not have the right to institute any proceeding with respect to the Indenture or for the appointment of a receiver or trustee or for any other remedy thereunder, unless such Holder shall have previously given the Trustee written notice of a continuing Event of Default (other than an Event of Default under Section 501(5) or Section 501(6) of the Indenture) with respect to the Securities of this series, the Holders of not less than 25% in principal amount of the Securities of this series at the time Outstanding shall have made written request to the Trustee to institute proceedings in respect of such Event of Default as Trustee and offered the Trustee security or indemnity reasonably satisfactory to the Trustee against the costs, expenses and liabilities to be incurred in compliance with such request, and the Trustee shall not have received from the Holders of a majority in principal amount of Securities of this series at the time Outstanding a direction inconsistent with such written request during the 60-day period after receipt of such written notice, and shall have failed to institute any such proceeding, for sixty (60) days after receipt of such notice, request and offer of indemnity. The foregoing shall not apply to any suit instituted by the Holder of this Security for the enforcement of any payment of principal hereof or any premium or interest hereon on or after the respective due dates expressed herein. If an Event of Default under Section 501(5) or Section 501(6) of the Indenture occurs, the entire principal amount of the Securities of this series will automatically become due and immediately payable.

No reference herein to the Indenture and no provision of this Security or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and any premium and interest on this Security at the times, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Security is registrable in the Security Register, upon surrender of this Security for registration of transfer at the office or agency of the Company in any place where the principal of and any premium and interest on this Security are payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Securities of this series and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Securities of this series are issuable only in registered form without coupons in denominations of \$25 and any integral multiples of \$25 in excess thereof. As provided in the Indenture and subject to certain limitations therein set forth, Securities of this series are exchangeable for a like aggregate principal amount of Securities of this series and of like tenor of a different authorized denomination, as requested by the Holder surrendering the same.

No service charge shall be made for any such registration of transfer or exchange, but the Company, the Trustee or the Security Registrar may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Security for registration of transfer, the Company, the Trustee or the Security Registrar and any agent of the Company, the Trustee or the Security Registrar may treat the Person in whose name this Security is registered as the owner hereof for all purposes, whether or not this Security be overdue, and none of the Company, the Trustee, the Security Registrar, or any agent thereof shall be affected by notice to the contrary.

All terms used in this Security which are defined in the Indenture shall have the meanings assigned to them in the Indenture.

The Indenture and this Security shall be governed by and construed in accordance with the laws of the State of New York, without regard to principles of conflicts of laws.

**This Security is a Global Note within the meaning of the Indenture hereinafter referred to and is registered in the name of The Depository Trust Company or a nominee thereof. This Security may not be exchanged in whole or in part for a Security registered, and no transfer of this Security in whole or in part may be registered, in the name of any Person other than The Depository Trust Company or a nominee thereof, except in the limited circumstances described in the Indenture.**

**Unless this certificate is presented by an authorized representative of The Depository Trust Company to the Company or its agent for registration of transfer, exchange or payment and such certificate issued in exchange for this certificate is registered in the name of Cede & Co., or such other name as requested by an authorized representative of The Depository Trust Company, any transfer, pledge or other use hereof for value or otherwise by or to any person is wrongful, as the registered owner hereof, Cede & Co., has an interest herein.**
